

# St. John's Needs You!

A variety of volunteer roles at St. John's are in need of some new faces. Do you have the ability to serve in one of these roles? If so, reach out to the person indicated below:

**Funeral Luncheon Coordinators** - when a death occurs within our congregation, many families choose to utilize our fellowship hall for a luncheon following the services. Coordinators are needed to work with the funeral family to decide on the menu, order the food, secure volunteers to assist with set up, serving and clean up of the luncheon. The commitment is sporadic, based on when funerals take place. If interested, email Pastor Becky.

**Readers for worship** - do you like to read? Would you be willing to join the list of those who serve as readers within worship? If so, please email Amy Hammond in the church office ([stj.stown@verizon.net](mailto:stj.stown@verizon.net)) and indicate which service you typically attend.

**Communion Assistants** - if you are confirmed, you are able to serve as a communion assistant within worship. Communion assistants serve roughly once every two months based on our current rotation. Training is provided. If interested, email Pastor Becky.

**Flower Bed Gardeners** - the idea was suggested to invite members to take responsibility for one flower bed at church and share the work of tending our property. If you'd be interested in taking on the responsibility of tending a specific flower bed here at St. John's starting this spring, please email Pastor Becky.
